

FOSTACARE SHAMPOO

Due to its special combination of ingredients, **FOSTACARE SHAMPOO** regenerates the scalp, provides intensive moisture and has a wound-soothing and positive effect on lesions.

Dandruff is gently removed and the scalp's self-regeneration is effectively improved. Its soothing and anti-inflammatory natural substances prevent the usual symptoms of a severely stressed or injured scalp, and any itching can be considerably reduced.

Free from chemicals, crude oils and heavy metals.

Energized with the FOSTAC® technology.
