

INFINITY

The **INFINITY** opens up for wholeness and the frequency of neutrality. It releases blockages and leads into the light of love and fulfillment. It brings you into a new balance and synchronizes everything with the light that you are. The INFINITY was created to heal the imbalance on earth and can also be used in healing work.

It balances energetically all the organs that exist in pairs and enables access to inner knowledge.

An application is recommended, e.g. before exams or for training etc., because it strengthens the affinity for larger contexts and conveys overarching insights.

ELYMARA crystals illuminate the individual light-essences of every person. The effects of these light crystals are versatile therefore we recommend to test the optimal product individually. Our consultants will be happy to assist you.
